NEWS OF WEST SIDE

Jackson Street Boys Indulge in a Very Extensive Play.

MR. AND MRS. WEBB RECONCILED

Traction Companies Cars Now Run Up the Lackawanna Avenue Hill. New Schedule Soon to Go Into Effect—Will Give Seven and One-Half Minute Trips—Many Minor News Notes of Interest.

Considerable trouble has been caused of late by boys who break the sewer pipes which lay along Jackson street for the Twenty-first ward sewer. D. E. Nicholas, who has the contract in charge, had a warrant issued yesterday for the arrest of two young lads named Meehan, who reside near by, and are supposed to have broken them. These pipes are very valuable, costing about \$2 each, and about twenty-one of them are ruined.

Mr. Nicholas stated at the hearing in Alderman Blair's office last evening that he intends proving the matter to the bottom. There was not sufficient evidence to convict the boys who were captured. The manner in which the pipes are broken is that several of the youths congregate and test their strength by throwing large cobble stones on the pipes. The strongest succeed in breaking them. Constable Timothy Jones is now in search of the right party.

Frederick Webb of the First ward, was arrested yesterday by Constable Timothy Jones on a charge of desertion. The plaintiff was his wife, Mrs. Isabella Webb, who alleges that some time ago he deserted her. The hearing was notable for tears and the reconciliation of the parties.

CARS RUN UP THE HILL.

New Schedule to Be Put Into Operation on Hyde Park Line.

Yesterday morning was the opening of the new extension of the Scranton Traction company up Lackawanna avenue hill. At first some doubt was expressed as to whether the cars would be able to climb the steep grade. Yesterday's trips were made with great ease. All the Hyde Park and Elyon street and Taylor cars run up the hill and make the return trip by way of Jackson and Ninth streets. This plan does entirely away with the old method of waiting on the Robinson street switch.

An entire change of schedule will go into effect next week on the Hyde Park line. Two cars will be added to the Taylor line, and twenty-minute service will be given the same as when the line first opened; that is, there will be a return to the system in vogue before the two cars taken off the Taylor line. At present the Swatland and Washburn street cars leave Franklin avenue together and the Luzerne street car a few minutes afterward. The new schedule will arrange it so that no two cars bound for the West Side will leave Lackawanna avenue at the same time. The space between the leaving time of each car will be seven and one-half minutes. This will be a gratifying change and it will probably go into effect on Aug. 1.

Rev. W. S. Jones, pastor of the First Welsh Baptist church, will leave on Saturday to join his family in Wales. Mr. Jones' trip will occupy about two months, and he will call on the same steamer as Councilman E. E. Robathan and Druggist T. R. Jones.

The services of the Washburn Street Presbyterian church will be conducted on Sunday next at 10 a. m. and 7.30 p. m. in the Jackson Street Baptist church, the latter having kindly offered their place of worship. The new Presbyterian edifice, now in course of erection, is being rapidly pushed.

Isaac Evans, or fellows place, is suffering from a badly smashed hand, which is the result of a fall from the Capone mines. Evans was at work in his chamber when a piece of coal fell from the roof, striking his hand with the above result. He was removed to his home where Dr. M. J. Williams dressed the wound.

LENEWSKI MADE CHARGES.

Will Be Given an Opportunity to Substantiate Them in a Court of Justice.

Mrs. Amelia Lach, of Lackawanna township, claims that Albert Lenowski slandered her and yesterday, through her attorney, ex-Judge W. H. Stanton, began an action to recover damages. She alleges that on July 13 Lenowski, in the presence of a number of persons, stated that she had been guilty of criminal conduct with August Savage.

IMPROVING THEIR HOMES.

Work Contractor Worden Has Done on Bokman and Albough Houses.

Among the most marked improvements on residential properties on the hill are the alterations on the house of James H. Albough, Vine street, near Adams avenue, and the home of Rev. G. E. Bokman, D. D., on Quincey avenue, between Vine and Mulberry streets. The work on both houses is being done under the immediate supervision of M. E. Worden, whose most recent large contract was for the erection of the three new business buildings on Spruce street, between Wyoming and Washington avenues.

The Vine street property of Mr. Al-

bough was but a mere shell when alterations were begun. It is now nearly completed, and the result shows one of the most attractive Queen Anne residences in the city. It has been finished in hard wood and quartered oak. Mr. Albough has also received several substantial offers for it.

Rev. Dr. Eckman's Quincey avenue residence has been transformed by Builder Worden into a very handsome and desirable property. The 2-story extension and new front will be finished in a few days.

CAMPBELL RELEASED FROM JAIL.

Judge Edwards Allowed Him to Enter Jail in the Sum of \$1,000.

James H. Campbell, the Carbondale boy, who on last Sunday afternoon shot and killed a companion named Patrick McDonnell at Mud pond, near Carbondale, was yesterday allowed to enter jail by Judge Edwards.

District Attorney Kelly informed the judge that he inquired into the facts in the case and satisfied that it was one of involuntary manslaughter. Judge Edwards thereupon directed the boy to enter bail in the sum of \$1,000. Jacob Stone and James F. Farrell qualified as his bondsmen and Campbell was released.

He is much afflicted by the sad occurrence.

VITRIFIED BRICK CHOSEN.

Paving Committee of Select Council Recommend That It Be Used on Franklin Avenue.

At last night's meeting of the paving committee of select council the question of paving Franklin avenue with vitrified brick or asphalt was considered and a decision made to recommend to council tonight that vitrified brick be used.

It appeared that a number of property owners on the block between Mulberry and Vine streets are opposed to any kind of pave, but the petition which will be read at tonight's meeting will contain enough names of property owners between Spruce and Mulberry streets to make a majority covering the distance to Vine street. An amended ordinance will be presented with the petition, and it is expected that it will be laid on a concrete basis, the whole to cost not more than \$2.45 per square yard and to be assessed block by block.

The block by block assessment will reduce the cost of paving between Spruce and Mulberry streets from the fact that the Scranton Traction company is liable for the expense of paving its tracks and a narrow strip outside each rail. It was on this point that much of the opposition to the improvement rested, the Mulberry-Vine street owners contending that the property owners below them should be assessed for the increased cost of paving where no car tracks are laid.

Jefferson Reader, representing the property owners, attended the meeting and will today circulate the amended petition, which with the ordinance will be referred to committee from council tonight and immediately reported favorably. The ordinance will then be ordered printed and put upon its passage.

CURTIS HAS GONE TO UTICA.

Taken to That Place by Detective Charles F. Cleveland.

Joseph R. Curtis, the young man who was arrested last Friday for endeavoring to sell a stolen bicycle to Alexander Dunn, Jr., the latter, writing that he was taken to Utica, N. Y., to stand trial for his offense.

The requisition papers signed by Governor Pattison were brought to this city yesterday by Detective Charles F. Cleveland, of Utica, and after Curtis had been photographed for the benefit of Chief of Police Simpson, Curtis was taken before Judge Edwards. The law requires that before a person can be taken from this state on requisition papers he must first be brought before a judge whose duty it is to inform the prisoner that if he denies being the person named in the requisition papers he has the right of an application for a writ of habeas corpus, at which those holding the requisition papers are called upon to prove the identity of the prisoner.

Curtis waived this formality. The papers were endorsed by Judge Edwards and Curtis, in company with the officer, departed for Utica.

The wheel Curtis is charged with having purloined was shipped to Utica yesterday afternoon.

FORD-HARVEY WEDDINGS.

Ceremony Performed in the Green Ridge Baptist Church.

What was probably the most prominent Green Ridge social event of the season was the marriage yesterday morning of Miss Harriet A. Harvey, daughter of Mr. and Mrs. John Harvey, of 741 Adams avenue, to Rev. W. J. Ford at the Green Ridge Baptist church, of which the groom is pastor. The ceremony was performed by Rev. T. F. Ford, of Syracuse, an uncle of the groom.

At 10.30 o'clock the bridal couple entered the church together and unattended, and preceded by the maid of honor, Miss Jessie C. Torrey, of this city, and the best man, Frank Ford, of Camden, N. Y., a brother of the groom. The bride wore a brown tailor made traveling suit, and Miss Torrey was attired in a light blue cloth gown; each carried a bouquet of yellow roses.

The ushers were John H. and Harvey Blackwood, William A. Harvey and H. T. Wightman.

The church was tastefully trimmed with ferns, palms and potted plants. The ceremony was performed beneath a yoke of carriages.

After a reception and breakfast at the home of the bride's parents on Adams avenue, Mr. and Mrs. Ford departed on the 1.30 Delaware, Lackawanna and Western train for Camden, N. Y., where they will visit Mr. Ford's father for a month.

NOTES OF SOUTH SIDE

Story of How Thomas R. Callery, of Nanticoke, Went Fishing One Fine Day.

DEATH OF PROMINENT YOUNG MAN

Frank O'Rourke, of Maple Street, Died Yesterday—Funeral Tomorrow Morning—Excursion of James Connell Lodge of Odd Fellows to Lake Ariel Today—Personal and Shorter Paragraphs of Interest.

The South Side can safely boast of numbering among its population a larger percentage of expert fishermen than any other section of the city, and anything in the piscatorial line never fails to interest them. Thomas R. Callery, of Nanticoke, a brother of R. J. Callery, of the Twentieth ward, is too well known and has so many relatives and friends across the Roaring Brook, to necessitate any particulars concerning his angling adeptness. The following clipping from the Nanticoke News of yesterday will, no doubt, be read with interest by his many friends on the South Side:

Yesterday T. R. Callery, of this city, with his wife and son, drove over to Lily lake to enjoy a few hours at that pleasant resort. Leaving Mrs. Callery and the son at the hotel, Mr. Callery and the son, accompanied by Mr. C. R. Stauffer, Mr. Callery accepted the invitation of R. C. Hatcher to take a fishing trip on the lake.

Never much of a fisherman, at least not since he was married, and when he hailed out a 20-inch pike it made Hatcher quite jealous. Immediately the latter wanted to change their location as he hadn't caught anything. Tom consented and began to pull up the anchor. Now whether it was the way he pulled up the loaded shoe or the excitement caused by his great catch is not known, but in any way Mr. Callery lost his balance and in a remarkably short time was splashing in the water.

He could not swim and the water was about twenty feet deep, but before he could go down the second time Hatcher had him in the boat. The excitement on the shore was intense as Hatcher held up his catch, which, without any exception, is the biggest and most important of the season.

James Connell Lodge Will Go to Lake Ariel Today.

James Connell lodge, No. 170, Independent Order of Odd Fellows, held a business meeting last night and also completed all final arrangements for the excursion of the lodge to Lake Ariel today.

Frank O'Rourke, one of the most respected and well known young men of the South Side, died yesterday at the home of his mother on Maple street. He had been sick for three years with pulmonary trouble and before he was forced to confine himself to his home, he was a leading figure in the circles where an aggressive and enterprising young man can always be found.

The funeral will take place tomorrow with a high mass of requiem at St. John's church at 9.30. Interment in Hyde Park cemetery.

Mrs. Matthias Bagina, of Prospect avenue, swallowed a bone in some soup she was drinking yesterday and was almost choked to death with it. Dr. Walsh was called and found the bone lodged in the larynx. He removed it and the woman was immediately relieved.

The marriage of Patrick Brown and Miss Elizabeth Foley, both of Stone avenue, was performed at St. John's church yesterday afternoon by Rev. T. P. Walsh. In the evening a reception was held at the home of the bride's parents and attended by the friends of the young couple.

Push and hid away on a fishing excursion. A search warrant has been issued by Alderman Horan for the property.

W. H. McCreary has received a letter from Timothy Harrington, M. P., who takes a gloomy view of the passing of the home rule bill and hopes that fishermen on this side of the herring pond will support the Parnellite party, as he avers that the policy adopted by Justin McCarthy and his party has already borne evil fruit and will tend to seriously retard the progress of the home rule measure.

John Cox, of Brick avenue, was arrested last evening upon a charge of firing a revolver. Cox informed a Tribune reporter that a boarder of his came into the room and being drunk, threatened him with personal violence, and as he had been informed that the proper way to call the police was by firing a revolver three times, he proceeded to do so. The man had evidently been hoaxed and found himself locked up as the result of a practical joke.
